Featured Speaker

Chase Mielke is an award-winning educator, writer, and speaker focusing on preventing teacher burnout and increasing student engagement.

He has been awarded multiple honors, including being a Michigan Teacher of the Year nominee and a Allegan County "Outstanding People for Education" recipient. For his work minimizing the achievement gap with at-risk high schoolers, his Positive Psychology program received a Michigan Association of School Administrator's "Winner's Circle Award." The program teaches concepts of positive emotion, engagement, meaning, and accomplishment to hundreds of students each year, especially at-risk high schoolers. Consistently, students reduce failure rates by at least 50% each year.

As an engaging, nationally recognized speaker, he has traveled across the nation to speak with students and educators on topics of resilience, mindset, applied neuroscience, and positive psychology.
