THE FCCLA PLANNING PROCESS

The planning process is a decision-making tool that supports the organization's overall philosophy about youth centered leadership and personal growth.

IDENTIFY CONCERNS

The circle represents a continuous flow of ideas and has no beginning or end. As a target, it symbolizes zeroing in on the one idea around which you would like to build a project.

Brainstorm concerns; evaluate listed concerns; narrow to one workable idea or concern.

SET A GOAL

The arrow stands for deciding which direction you will take. It points toward the goal or end result.

Get a clear mental picture of what you want to accomplish; write it down; evaluate it.

FORM A PLAN

The square represents the coming together of ideas - the who, what, where, when, and how of your plan.

Plan how to achieve goal; decide who, what, where, when, why, and how.

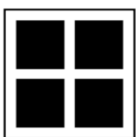

ACT

The different squares in this symbol represent the activities to be carried out to meet your goal. It represents acting out the plan.

Carry out project.

FOLLOW UP

The broken squares suggest examining the project piece by piece. This symbol also represents a "window" through which to review and evaluate the plan.

Evaluate project; thank people involved; recognize participants.

PARLIAMENTARY PROCEDURE

Parliamentary Procedure is a set of rules for conduct at meetings that allows everyone to be heard and to make decisions without confusion.

Principles

The four basic principles of parliamentary law are:

1. Courtesy and justice for all
2. One item of business at a time
3. The minority must be heard
4. The majority must prevail

Types of motions

A motion is an idea brought before the group for discussion & decision.

The four basic types of motions are:

1. Main motion
2. Subsidiary motion
3. Privileged motion
4. Incidental motion

Making a motion

The main motion is used to get group approval for a new project or action.

Use the following procedure:

1

The member rises & addresses the chair.

2

When recognized, the member begins the motion with these words: "I move..."

3

The chair will repeat the motion & ask for a second to make sure at least one more member is interested. Another member must say, "I second the motion" or "seconded."

4

If the motion is seconded, then, discussion may begin in advance of a vote.

5

If no one seconds the motion, it dies due to lack of a second.

Voting on a motion

The method of voting on any motion depends on the situation and the by-laws of policy of the organization. There are five methods used to vote by most organizations. They are:

1. By voice
2. By roll call
3. By general consent
4. By division
5. By ballot

GAVEL USAGE:

1
TAP: Follows the announcement of adjournment, completion of a business item, or as a signal to members to be seated

2
TAPS: The signal for all members to stand in unison on the third tap
