## SEC SPOTLIGHT

Meet Jacob Harvey, your VP of Public Relations! Jacob is a junior at Beaverhead High School, where he has been a member of FCCLA for three years.

*Hey, Jacob, should I join FCCLA?*

If you're debating whether or not you should join FCCLA, my advice would be to grab a friend, and convince them to join as well! Together, you'll be faced with countless opportunities that can change your life for the better, and have loads of fun along the way!

*What has FCCLA involvement given you?*

Through participation in FCCLA, I've expanded my skills in communication and leadership, and have had the opportunity to meet so many wonderful people with similar interests as me.

## JACOB'S ADVISER: MS. KONEN

What is most awesome about your chapter adviser?

Kim Konen makes delicious food for our chapter meetings, and goes above and beyond to meet the needs of her students

I am most proud of the Beaverhead chapter's continued status as the largest chapter in the state of Montana! We may be a small school, but we are FCCLA strong! It's great to see how impactful this organization I'm part of can be on the school, and surrounding community.

The Beaverhead County FCCLA chapter hosts an annual easter egg hunt for the student population on the half day before our spring break. Along with candy, we hide eggs containing gift cards to local businesses. Through this activity, we're able to spread joy to our students, while supporting our community!
