The Ultimate Leadership Experience

For the 21st Century Workforce

Montana Family, Career and Community Leaders of America (FCCLA) has more than 1,100 resources - its members! Family and Consumer Sciences education prepares youth with employability skills and rich experiences critical for success. As the only Career and Technical Student Organization with family as the central focus, FCCLA develops skills that last a lifetime from creative and critical thinking to practical knowledge and career preparation.

FCCLA models project-based strategies within competitions which are the same experiences that are required in STEM Education.

FCCLA offers numerous opportunities for youth to seek solutions for healthy relationships & health related issues in community-focused student-led projects.

FCCLA is successful in helping youth develop real-world problem solving abilities with transference to other areas of work and life.
