

TALK OF THE STATE

MONTANA FCCLA

VOLUME 4 OCTOBER 2019 LIMITED EDITION

DISCOVER THE POWER OF YOU

Hello Montana! It was so great to see everyone that attended Leadership Rally this week! The State Executive Council enjoyed meeting members from around the state and we hope you all had the opportunity to explore the power of you and the impact you can have

in your community. We welcomed Nathan Taylor from the National Leadership Training Team to share his inspiring story of resilience. Nathan served on the 2015-16 National Executive Council and spoke about how FCCLA played a key role in becoming a leader in his community and now at the University of Utah. He inspired us by reminding us to stay resilient by finding your community, clarifying your why, and asking for help when we need it.

For the first time ever, members were able to show off their skills by competing at the Leadership Rally this year! It was awesome to see the talented members of Montana FCCLA! For many, it was their first time competing, and everyone did great! Watching the Knowledge Bowl teams compete in the Championship Round was also really fun. Both teams answered some tough questions. Congrats again to all of the winners!

Once again, it was great to see those that could attend Leadership Rally! Everyone on the State Executive Council is excited to meet other members in our districts at all of the upcoming District Meetings. Be sure to check with your District President for the date, time, and other information.

Save the Date: Montana FCCLA's State Leadership Conference is scheduled for March 19-20, 2020 at Montana State University in Bozeman. The SEC hopes to see you there!
