

TALK OF THE STATE

Digging into FCCLA

Hello Montana FCCLA! My name is Shayla Borlaug, and I am your 2020-2021 Vice President of Parliamentary Law. I am a senior this year at North Star High School in Rudyard, Montana. Although the start of this year has been a lot different from most, I am so excited to be getting back into school and starting FCCLA.

The past six months have held a lot of new experiences for our State Officer team. Even though we have not all been able to meet in person, we are all working very hard to make this year of FCCLA unforgettable!

With such an unusual year, we are excited about our new launch event. Our Breaking Ground launch event will premiere September 22. This is our first ever virtual launch event and it will include our keynote speaker, David Edward Garcia! You will also be able to hear from this year's State Executive Council. The sessions will be accessible on the Montana FCCLA website to watch or re-watch whenever is most convenient for you or your chapter. Also, David Edward Garcia will be doing a few virtual workshops on motivation, confidence building, and leadership.

These will also be on the Montana FCCLA website for future viewing.

We are all really excited about our new virtual launch event! We hope this will be the beginning of an exciting year of FCCLA, no matter what it looks like.
