

# TALK OF THE STATE

Volume 4  
November 2020  
Limited Edition

## Digging into the State Outreach Project

Good morning, day, or night Montana FCCLA! My name is Ben Logan and I am your Vice President of Public Relations. I attend Powell County High School and am a senior this year. Even though the coronavirus has stopped us from meeting in person, it hasn't stopped us completely. I hope to see and meet everyone at a virtual meeting and get to know you all. With all that said, what do you know about our State Outreach Program?

This year we are calling the program The Ultimate Treasure Hunt! Begin your trek on The Ultimate Treasure Hunt by exploring ideas and concepts of social and emotional wellness. The treasure map on our website has seven stops for members to learn and reflect on various topics, such as self-awareness, motivation, communication, and empathy. Step outside of your comfort zone and grow as a person while Montana FCCLA is right by your side!

The last stop on the Ultimate Treasure Map encourages you to use the FCCLA Planning Process to take on the *Dynamite Challenge*. Make a "blast" in your school or community with a service project. We challenge you to create a project that impacts one of three areas: family, school, or community. Up for a real challenge? Do all three!

I highly encourage you to get involved with this program, and if you are unsure you can always talk to your Montana FCCLA advisor or the SEC Team!

Have a great day Montana FCCLA!

- Ben Logan VP of Public Relations
