

# TALK OF THE STATE

## Digging into History

Happy New Year, Montana FCCLA! This last year has been quite the adventure, that's for sure. It's been so wonderful to see all the ways that every chapter has stayed connected, even while being apart. I'm proud to be connected to such a great organization!

This month, we are celebrating Montana's anniversary for chartering with the National FCCLA organization in 1946. That's 75 years of impacting communities, growing leaders, and changing lives. We're very proud of all of our members, alumni, and advisers that have made this organization so great!

To celebrate, we're encouraging members to make a birthday treat with your chapter or host a virtual celebration! Members can also send a birthday card to Montana FCCLA at the address below. All cards received will be featured at the 2021 State Leadership Conference!

Montana FCCLA  
PO Box 11409  
Bozeman, MT 59719

We will be celebrating all year long, so stay tuned for more ways to be involved.

- Whitney Whittecar, State Director
