SEC SPOTLIGHT

*Emma Harrison
Vice-President of
Competitive
Events*

Meet Emma Harrison, your Vice President of Competitive Events! Emma is a sophomore at Wibaux School, where she has been a member of FCCLA for four years.

During her active time as a member of FCCLA, Emma has been involved in many activities. The FCCLA memory is Emma is most proud of getting gold in Chapter and Review Portfolio at the National Leadership Conference that was held in Nashville Tennessee.

Emma's plans for the future include serving a mission for her church, the Church of Jesus Christ of Latter-day Saints. After her mission, Emma would like to go to college to go into the medical field.

EMMA'S CHAPTER: WIBAUX FCCLA

We have an amazing tradition of Homecoming teacher challenges. We ask teachers for consent to challenge them during Homecoming coronation, football halftime, and volleyball. We put buckets with each teacher's name on it and students, staff and the public put money in their buckets then the teacher with the most amount of money gets to be challenged. This could be water and flour, shaving cream and confetti, getting dressed up as cheerleaders and doing a routine or running in a Santa suit for one mile. Then all the money that we raise we donate to charity - like a local cause or something more global like childhood cancer research. We also have a tradition of an end of the year auction where all the points you earned during the FCCLA year earn FCCLA Bucks and you can bid on prizes from candy to popcorn machines.

~Emma

EMMA'S ADVISER: MRS. STENSON

What is most awesome about your chapter adviser?

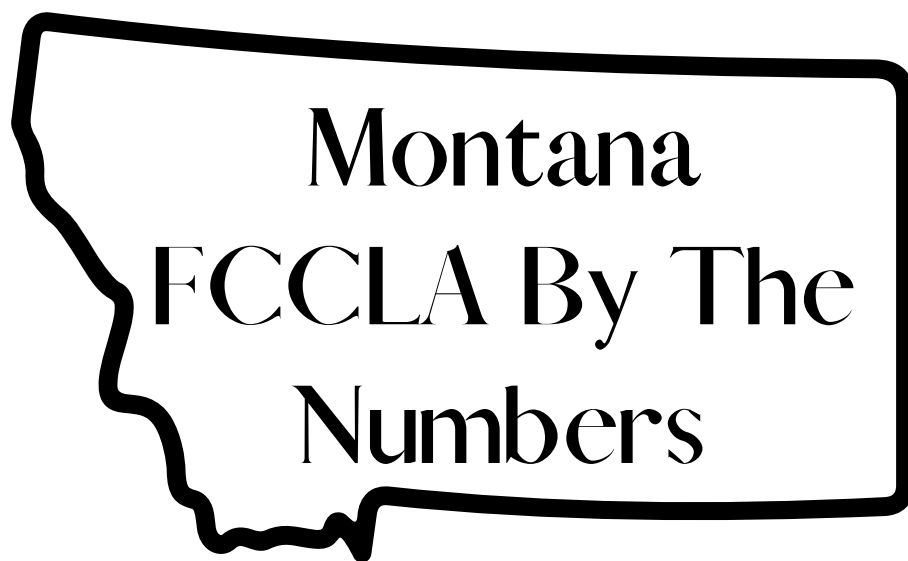

How loving, energetic and open minded she is. She's extremely determined. She is amazing,
~Emma
