

MONTANA MARKER

*Jill
Baumgardner,
1st Vice-President*

SEC SPOTLIGHT

Meet Jill Baumgardner, your 1st Vice President! Jill is a junior at Harlowton High School, where she has been a member of FCCLA for four years. Jill's plans after high school include traveling as much as possible, and attending college in Arizona, pursuing a career in business or medicine.

Get to know Jill...

*What have you
gained by being
involved with
FCCLA?*

FCCLA was the first club I ever joined and it helped me realize what amazing opportunities are out there. I have met so many different people through this process.

*Which FCCLA
accomplishment
are you most
proud of?*

I have loved being involved in all of the FCCLA fundraisers and getting to talk to so many people and explain what FCCLA is about. Our chapter has 19 amazing members and my biggest accomplishment would be spreading FCCLA throughout our community.

*What chapter
activity has been
your favorite?*

I have really enjoyed working with the elderly population in our community. We painted the nursing home windows for holidays during Covid so the residents didn't feel so isolated and alone. We also had the opportunity to work with our local Kiwanis Club, serving dinners during several holidays, which was very meaningful and rewarding to do. Our chapter is very grateful to have a strong connection with the adults in our community.

JILL'S ADVISERS: MS. EKLUND & MS. WOLDSTAD

What is most awesome about your chapter advisers?

Mrs. Eklund is a very fun advisor who knows a lot and does so much with the junior high kids to help them get involved in FCCLA. Mrs. Woldstad is one of the most caring and kind people I have ever met and is always willing to help every kid meet their goals and their full potential.

I would also like to share with everyone reading how grateful I am for all FCCLA members! Without the support of Montana's amazing members, my state officer team and myself would not be in the leadership positions we are today or making the awesome memories that we are.

~Jill

MONTANA MARKER

Congratulations to the Montana FCCLA National STAR Event Qualifiers!
