

MONTANA MARKER

*Zoey Ator,
VP of
Parliamentary Law*

SEC SPOTLIGHT

Meet Zoey Ator, your VP of Parliamentary Law! Zoey is a sophomore at Medicine Lake High School, where she has been a member of FCCLA for two years. Zoey's goals for the future are to continue to get out of her comfort zone. She hopes to grow more comfortable with new people and larger crowds. Another goal is to continue to grow as a leader and represent Montana FCCLA. She would like to show Montana all that FCCLA can do!

Get to know Zoey...

*What have you
gained by being
involved with
FCCLA?*

I have gained leadership skills that I hope to widen. As well as getting out of my comfort zone and being more comfortable talking with others. I recently spoke in front of about 1,000 people at the State FFA Convention about FCCLA and its aspects. I can truly say that I was not as nervous as I would have been if I had not just spoken at State FCCLA the week before and got more comfortable talking to people I don't normally talk to.

*What advice
would you give
someone
considering FCCLA
membership?*

The advice I would give to someone who wasn't sure if they wanted to join FCCLA or not would be to definitely join this wonderful organization. It's main focus is family, and that truly is the most important thing in my life. It is a great way to gain leadership skills and travel!

*Tell us more about
your activities and
hometown*

I want to tell you about where I am from! Medicine Lake is about sixty miles from the Canadian border and there are only about 200 people that live here. It is a pretty small town, and I find myself helping organize or organizing many events in the community as well as in school. I also really enjoy babysitting for families in my community, working at the flower shop, and helping with events in our community!

MONTANA MARKER

ZOEY'S ADVISER: MS. MURPHY

My advisor's name is Megan Murphy. The most awesome thing about her is how understanding and kind she is to everyone she meets. If you treat her with the right respect, then she will in return treat you with great respect. She is an all around great person.

-Zoey

What is most awesome about your chapter adviser?

MONTANA MARKER

2023 National Leadership Conference Denver, Colorado

MONTANA MARKER

2023 National Leadership Conference Denver, Colorado

Montana FCCLA was well represented at NLC STAR Events, with 21 Gold medals, 30 silver, and 8 bronze.
