

## Montana FCCLA First Time Attendee Scholarship Rubric

Category	Exemplary 3	Satisfactory 2	Unsatisfactory 1	Maximum Points (Score x weight)
<b>Completeness of application</b>	All elements are thorough; all eligibility criteria are met All criteria are met; application is only partially complete All criteria are not met; application is incomplete	All elements are thorough; all eligibility criteria are met All criteria are met; application is only partially complete All criteria are not met; application is incomplete	All elements are thorough; all eligibility criteria are met All criteria are met; application is only partially complete All criteria are not met; application is incomplete	3
<b>Quality of Responses</b>	Responses are thorough and well constructed; demonstrate appropriate levels of commitment to completing required activities outlined in scholarship award description	Responses are somewhat thorough but missing some details. It is challenging to understand applicant responses.	Responses are vague and appear to lack thought and preparation. Candidate responses lack evidence that completing required activities will be a priority	3
<b>Goals/interest in FCCLA</b>	Responses indicate at least two clearly identified areas of growth/goals for engaging. Goals are appropriate and realistic, including how the success will be measured	Goals are somewhat realistic and/or slightly vague, without indicating how success will be measured	Goals are unrealistic or not included; areas of growth lack detail in the explanation	3
